EDUCATION

New Era University— College of Informatics and Computing Studies June 2026
Bachelor of Science in Information Technology | GWA: 1.34

WORK EXPERIENCE

Intern, Network and Communications Department — *Social Security System* Oct – Dec 2025

- Assisted with Ethernet cable assembly and repair, including straight-through and crossover cables.
- Organized patch panels and supported network troubleshooting on PCs.

Intern, IT Department — *IT Sabado and Associates, CPAs* Feb – Apr 2026

- Developed a test bank website that helps professors generate exams and questionnaires.

PROJECTS

KwentoPinoy — Capstone Project

- Developed a Flutter-based Android storytelling app for children ages 7–12, integrated with Firebase, featuring bilingual Filipino-English content, Firebase Authentication, Realtime Database, Storage, audio narration (ElevenLabs), vocabulary lookup, and comprehension quizzes.

Test Bank Management System — OJT Project

- Built with Python, SQLite, and Bootstrap; provides admin-authenticated hierarchical management of subjects, topics, chapters, and question numbers.
- Supports multiple-choice and descriptive questions, and generates randomized exams as PDF/DOCX.

EyeSecure — IoT Security System

- Designed and built a miniature house equipped with an ESP32-CAM-based security system integrated with Arduino C++ and Blynk IoT, featuring remote camera streaming, door lock control, and photo capture with SD card storage.

DishDojo — Recipe Android App

- Developed a Japanese food recipe app for Android using Kotlin and Android Studio.

Hotel Booking Website

- Created a hotel reservation website using HTML, CSS, JavaScript, and XAMPP.

SKILLS

Languages: HTML, CSS, PHP, Python, Java, JavaScript, C++
Databases: IBM DB2, PostgreSQL, SQLite
Mobile Development: Flutter, Kotlin
Tools & Platforms: Android Studio, Visual Studio Code, Eclipse, Laragon, XAMPP, Firebase, Firebase Test Lab, Arduino, Burp Suite (PortSwigger Web Security Academy)
Productivity: Microsoft Word, Excel, PowerPoint

CERTIFICATES

- Oracle Cloud Infrastructure 2023 AI Certified Foundations Associate
- Oracle Cloud Data Management 2023 Certified Foundations Associate
- Oracle Cloud Infrastructure 2023 Certified Foundations Associate
- IBM Cognitive Class SQL and Relational Databases 101
- IBM Cognitive Class NoSQL and DBaaS 101
- Cisco Networking Academy Introduction to Cybersecurity
- Cisco Networking Academy Ethical Hacker
